

ZTERS, a leading name in the waste management and temporary site services industry, proudly announces the grand celebration of their annual holiday gala, themed "Color Us Orange." The event, held at The Woodlands Waterway Marriot on December 16th, marked a momentous occasion for the company as they recognized their exceptional team members and acknowledged their commitment to the ZTERS formula for business excellence.

The "Color Us Orange" theme was a vibrant and dynamic representation of the ZTERS brand. The color orange symbolizes energy, enthusiasm, and creativity, attributes that ZTERS embodies in its approach to providing top-tier service to customers and service providers alike. With this theme, ZTERS aimed to infuse the holiday season with the same level of dynamism that they bring to their everyday operations.

The highlight of the evening was the recognition of team members who exemplified the ZTERS Spirit and Service Provider of the Year Awards. These awards are a testament to individuals and organizations that go above and beyond in their commitment to the ZTERS formula: "IF IT DOESN'T ADD VALUE TO OUR CUSTOMERS, SERVICE PROVIDERS, AND ZEEPS, WE DON'T DO IT."

Bria Blaylock – ZTERS Spirit Award

Claire Hudson – ZTERS Spirit Award

Delisha Smith – ZTERS Spirit Award
